Hey babe, I'd like to talk to you.

How's about coming back to my room,

For a little boom boom.

You keep coming to me

I can dig, you're dynamite

The way you move

Get in the groove

You're driving me crazy

Crazy for you

*Step in time and move your feet

It's time for us to boom boom

You can come get close to me

And feel the burning fire

All the time you've got the beat

It's time for us boom boom

Can't you see this spark in me

And feel my strong desire

**Boom boom boom

Let's go back to my room

So we can do it all night

And you can make me feel right

Boom boom boom

Let's go back to my room

So we can do it all night

And you can make me feel right

To be or not to be

Don't you know I'd like a bite

Get to love you

Closer to you

You're driving me crazy

Crazy for you

*Repeat

**Repeat (x4)
