Paul McCartney
"12345 Let's go for a drive"

678910 Let's go there and back again

Something's open it's my heart
If something's missing it's when we're apart
If something's good it's when we're back together
again

Nothing's wrong it's just insane
Nothing's right until you're back again
Nothing's broken when it's softly spoken
And we're walking slowly down the lane

Why don't we drive in the rain
Straight to the eye of the hurricane
Go for a ride in the driving rain

12345 Let's go for a drive
678910 Ooh Ooh
12345 Let's go for a drive
678910 Let's go there and back again
Baby baby

You come walking through my door
Like the one that I've been waiting for
Letting sunshine in the darkest places when I've been
going there again

So why don't we drive in the rain
Straight to the eye of the hurricane

Why don't we drive in the rain
Straight to the eye of the hurricane
Go for a ride in the driving rain
12345 Let's go for a drive
678910 Ooh Ooh
12345 Let's go for a drive
678910 Let's go there and back again
Baby baby

In the driving rain
Why don't we drive
In the driving rain

12345 Ooh Ooh
678910 Let's go back again
12345 Let's go for a drive
678910 Let's go there and back again
