Here we are  
We're back in the sunshine again  
No more worries  
And no more pain

Well we're leaving behind  
All our troubles and strife  
That's the way it's gonna be  
Oh for the rest of my life

Well here we are, here we are  
We're back in the sunshine again  
No more worries, no more worries  
And no more pain, no more pain

Life's too short to spend it lonely  
You only throw it away  
Listen to your voice of reason  
You call it a day

Take a ride, take a ride  
Out to the land of the free  
Don't hurry take your time, take your time  
Come spend it with me

Back in the sunshine  
We're back in the sunshine, yes

Here we are  
We're back in the sunshine again  
No more worries, no more worries  
No more worries and no more pain

Life's too short to spend it lonely  
You only throw it away  
Listen to your voice of reason  
You call it a day

Here we are  
We're back in the sunshine again  
No more worries, no more worries  
And no more pain

Here we are, here we are  
Yeah we're back in the sunshine again  
No more worries oh no  
And no more pain

Why, why, we're back in the sunshine again  
No more worries or pain  
Yeah we're back in the sunshine again
