Well blue moon of kentucky keep on shining,
Shine on the one that's gone and left me blue.
Well blue moon of kentucky keep on shining,
Shine on the one that's gone and left me blue.

Well, it was on one moonlight night, well stars shining
bright,
Wind blowin' high my love said good-bye.

Blue moon of kentucky keep on shining.
Shine on the one that's gone and left me blue.

Well, it was on one moonlight night, stars shining
bright,
Wind blowin' high love said good-bye.

Blue moon of kentucky, keep on shining.
Shine on the one that's gone and left me blue.

[uptempo]
Well blue moon, blue moon, blue moon, keep shining
bright.

Well blue moon, keep on shining bright,
You're gonna bring me back my baby tonight,
Blue moon, yeh keep shining bright.

Blue moon of kentucky keep on shining,
Shine on the one that's gone and left me blue.
Well blue moon of kentucky keep on shining,
Shine on the one that's gone and left me blue.

Well, it was on one moonlight night, stars shining
bright,
Wind blowin' high my love said good-bye.

Blue moon of kentucky keep on shining.
Shine on the one that's gone and left me blue.
Shine on the one that's gone and left me blue.
