It was written that i would love you,
from the moment i opened my eyes,
and the morning when i first saw you,
gave me life from the calico skies,
I, will, hold, you, for as long as you'd like, i
'll hold you for the rest of my liiiiife.

Always looking for ways to love you,
never failing to fight at your side.
While the angels of love protect us,
from the inner most secrets we hide.
I'll hold you, for as long as you'd like,
I'll hold you, for the rest of my liiiiife.

Long before us crazy soldiers,
who were born under calico skies,
may we never be called to handle,
all the weapons of war we despise.
I'll hold you, for as long as you like,
I'll hold for the rest of my my life,
I'll hold you for as long as you like,
I love you, for the of my, for the rest of my life.
