

Paul McCartney "Daytime Nighttime Suffering"

It's just another day another episode
Of hiding under the world
It's just another ray of merciful hope
I don't expect many more

I'm already insane
I'm already in pain

And if this time you don't rescue me
I won't blame you at all
'Cause you see, I know that I've gone in too deep
For you to risk a fall

I'm already insane
Yes, I am
I'm already in pain
Oh yes, oh yes, oh yes
I'm already insane

I am dust blown away over the edge
I am dust blown away over the edge
I am dust blown away over the edge
I am dust blown over the edge

Never thought that I would be the one
With the winning hand
So you see, it's no blow to my sophistication
That I've gone crazy again

I'm already insane
(Yes, I am)
I'm already in pain
(Oh yes, oh yes, oh yes)
I'm already insane

I am dust blown away over the edge
I am dust blown away over the edge
I am dust blown away over the edge
I am dust blown over the edge

I'm already insane
(Hey baby)

I'm already in so much pain
(Oh yes, oh yes, oh yes)
I'm already insane
Yeah

I am dust blown away over the edge
I am dust blown away over the edge
I am dust blown away over the edge
I am dust blown away over the edge

I'm already insane
I'm already in pain
I'm already insane
