Jojo was a man who thought he was a loner
But he knew it couldn't last
Jojo left his home in Tucson, Arizona
For some California grass

Get back, get back
Get back to where you once belonged
Get back, get back
Get back to where you once belonged, get back Jojo

Get back, get back
Get back to where you once belonged
Get back, get back
Get back to where you once belonged, oh, get back Jo

Sweet Loretta Martin thought she was a woman
But she was another man
All the girls around her say she's got it coming
But she gets it while she can

Oh, get back, get back
Get back to where you once belonged
Get back, get back
Get back to where you once belonged
Get back Loretta, Loretta

Get back, get back
Get back to where you once belonged
Get back, get back
Get back to where you once belonged

Get back, Loretta
Your mama is waiting for you
In her high heel shoes
And her low neck sweater

Get back Loretta, get back little girl
Yeah, now get back, get back
Get back to where you once belonged
Get back, get back
Get back to where you once belonged
Get back, get back
