It's getting better all the time

I used to get mad at my school  
The teachers that taught me weren't cool  
You're holding me down, turning me round  
I'm filling me up with your rules

I admit, it's getting better, a little better  
All the time, I admit, it's getting better  
It's getting better since you've been mine

Me used to be angry young man  
Me hiding me head in the sand  
You gave me the word, I finally heard  
I'm doing the best that I can

And I admit, it's getting better, a little better  
All the time, I admit, it's getting better  
It's getting better since you've been mine

Getting so much better all the time  
Getting better all the time, better  
It's getting better all the time, better

I use to be cruel to my woman, I beat her  
And kept her apart from the things that she love  
Man, I was mean but I'm changing my scene  
And I'm doing the best that I can

I admit, it's getting better, a little better  
All the time, yes I admit, it's getting better  
It's getting better since you've been mine

Getting so much better all the time  
Getting better all the time, better  
It's getting better all the time, better

Getting so much better all the time  
Getting so much better all the time  
Getting so much better all the time
