THAT'S A GOOD, THAT'S A GOOD SIGN,
THAT'S A GOOD, THAT'S A GOOD SIGN.

OH, OH, OH, IT'S A GOOD SIGN,
OH, OH, OH, IT'S A GOOD SIGN,
OH, OH, OH, IT'S A GOOD SIGN,
OH, OH, OH YEAH, IT'S A...

I LOVE THE WAY THAT MY HEARTBEAT INCREASES
WHEN YOU WALK IN A ROOM.
THE CHEMICALS THAT MY BODY RELEASES,
DISPEL ANY FEELINGS OF GLOOM.

THAT'S A GOOD SIGN, SEE THE METER'S MOVIN',
THAT'S A GOOD SIGN, LET US KEEP IMPROVIN',
THAT'S A GOOD SIGN, SEE THE METER'S MOVIN',
THAT'S A GOOD SIGN.

DON'T YOU KNOW?

EE -

I LOVE ELECTRICAL SHOCKS AND SURPRISES
KEEP ATTACKING MY HEART.
I KNOW THE WAY MY TEMP'RATURE'S RISES,
HAD TO BE THERE FROM THE START.

AH -

THAT'S A GOOD SIGN, SEE THE METER'S MOVIN',
THAT'S A GOOD SIGN, LET US KEEP IMPROVIN',
THAT'S A GOOD SIGN, SEE THE METER'S MOVIN',
THAT'S A GOOD SIGN, DON'T YOU KNOW?

DON'T YOU KNOW?

THAT'S A GOOD SIGN, SEE THE METER'S MOVIN',
THAT'S A GOOD SIGN, LET US KEEP IMPROVIN',

OH, OH, OH, IT'S A GOOD SIGN,
OH, OH, OH, IT'S A GOOD SIGN,

OH, OH, OH, IT'S A GOOD SIGN.

RIGHT NOW!

I LOVE THE WAY THAT MY HEARTBEAT INCREASES
WHEN YOU WALK IN A ROOM.
THE CHEMICALS THAT MY BODY RELEASES,
DISPEL ANY FEELINGS OF GLOOM.

THAT'S A GOOD, THAT'S A GOOD SIGN,
THAT'S A GOOD, THAT'S A GOOD SIGN.

OW!

THAT'S A GOOD, THAT'S A GOOD, OOH-OOH-OOH,
OOH-OOH, OOH-OOH.
DON'T YOU KNOW? DON'T YOU KNOW? OOH-OOH,
DON'T YOU KNOW? DON'T YOU KNOW? OOH-OOH.

OOH-OOH,
OOH-OOH. (OW!)

GOOD, GOOD, - GOOD, GOOD,
GOOD, GOOD, - GOOD, GOOD,

THAT'S A GOOD SIGN, SEE THE METER'S MOVIN',
THAT'S A GOOD SIGN, LET US KEEP IMPROVIN',
THAT'S A GOOD SIGN, SEE THE METER'S MOVIN',
THAT'S A GOOD SIGN, DON'T YOU KNOW?

DON'T YOU KNOW?

THAT'S A GOOD SIGN, SEE THE METER'S MOVIN',
THAT'S A GOOD SIGN, LET US KEEP IMPROVIN'.
