I was alone, I took a ride
I didn't know what I would find there
Another road where maybe I
Could see another kind of mind there

Ooh, then I suddenly see you
Ooh, did I tell you I need you
Every single day of my life?

You didn't run, you didn't hide
You knew I wanted just to hold you
And had you gone, you knew in time
We'd meet again for I had told you

Ooh, you were meant to be near me
Ooh, and I want you to hear me
Say we'll be together everyday
Got to get you into my life

What can I do? What can I be?
When I'm with you I wanna stay there
And if I'm true I'll never leave
And if I do I know the way there

Ooh, then I suddenly see you
Ooh, did I tell you I need you
Every single day of my life?
Got to get you into my life
Got to get you into my life

I was alone, I took a ride
I didn't know what I would find there
Another road where maybe I
Could see another kind of mind there

Then I suddenly see you
Did I tell you I need you?
Got to get you into my life
