How kind of you to think of me  
When I was out of sorts  
It really meant a lot to be  
In someone else's thoughts

Someone else's mind  
Someone else as kind  
As you

The thoughtfulness you showed has made  
A difference in my life  
I won't forget how unafraid  
You were that long, dark night

I thought that I was lost  
I thought I'd never find  
A someone quite as kind  
As you

I thought my faith had gone  
I thought there couldn't be  
A someone who was there  
For me

How kind of you to stick by me  
During the final bout  
And listen to the referee  
As I was counted out

I thought my time was up  
I thought I'd never find  
A someone quite as kind  
As you

I thought my faith had gone  
I thought it couldn't be  
A someone who was there  
For me

How kind of you to think of me  
How kind of you
