It never really mattered to much to me
You were just too damned old for me
All that really mattered was you were my girlfriend
And baby, that's all that mattered to me

Let me love you down
Even if it takes all night
Let me love you down
You know it's got to be so right

Remember when I drove you home from work
I love the way when you kissed me bye
All of your friends think I'm just too young for you
You tell 'em I can what guys their age can do, oh babe

Let me love you down
Even if it takes all night
Let me love you down
You know it's got to be so right

Let me love you down
Even if it takes all night
Let me love you down
You know it's got to be so right

It never really mattered to much to me
You were just too damned old for me
All that really mattered was you were my girlfriend
And baby, that's all that mattered to me, oh baby

Let me love you down
Let me love you down
You know it's got to be so right
Let me love you down
Let me love you down
You know it's got to be so right, I can love you down

Let me love you
Let me love you
Let me love you down
I know, I know I could

Let me love you down
I know it's gonna take all night
Let me love you down
No no no no

Let me love you down
Let me love, come on
Take the house and the car
I love like you are

Love you down, down, down, baby
Love you down, down, down
I know, I know I could, yeah
Let me love you down

It's just me and you the whole night through
Let me love you, baby
I know, I know I could
Love you down, down

Let me love you
I know I could, baby
You're so sweet to me
Let me love you down, ooh, baby

It's just you and me, baby
The whole night through
Won't you let me love down?
I can't take this too much longer, you know
