You are my love, you are my song, linger on  
You are my song, I am your singer  
You are my one, you are my own melody  
You are my song, I am your singer

Someday, when we're singing  
We will fly away, going winging  
Sing, singing my love song to you

Someday, when we're singing  
We will fly away, going winging  
Sing, singing my love song to you

My song is sung  
When day is done harmonies will linger on  
I am your singer  
I am your singer

Singing my love song to you
