Last night you helped me through, took me to the
lover's zone
I saw there, images projected on a wall of stone

I stood inside Egyptian temples
I looked into eternal gardens
Lay on the shores of distant islands
Listening to the sea bird's song of joy

Oh, I owe it all to you
You make me happy
Oh, I owe it all to you

Late last night, we were right into some exotic scene
Everywhere, images appearing on a giant screen

I stood inside a glass cathedral
I looked into the golden canyon
Lay by the lakes of holy water
Glistening like a diamond in the light

Oh, I owe it all to you
You make me happy
Oh, I owe it all to you

Oh, I owe it all to you
You make me happy
Oh, I owe it all to you, ooh yeah

Took me to the lover's zone
(Owe it all to you)
Egyptian temples and eternal gardens
Distant islands, listening to the sea bird's song of joy

Oh, I owe it all to you
You make me happy
Oh, I owe it all to you

I owe it all to you, I owe it all
I owe it all to you
I owe it all to you, I owe it all
I owe it all to you
