I Want You To Fly  
I want you to fly  
I want you to grow  
I like you to get back  
Whatever you lose

I want you to learn  
What you wanna know  
I like you to follow  
The road that you choose

Ooh at the same time  
I wanna hold on  
Don't want you to go  
I like to be near you  
Whatever you do

I want us to hide (Ooh)  
I want to let low (Ooh)  
Doesn't make sense but (Ooh)  
I wanna be you (Ooh)

I wanna be you (At the)  
I want to be you (Same)  
I want to be you (Time)  
I wanna be you (At)  
I wanna be you (The)  
I wanna be you (Same)  
I (Time)

I want us to hide  
I want to let low  
But doesn't make sense but

I wanna be you

I want you to fly

So the cages open now  
We take him fly to  
Rising and falling like snow  
In the nights

I'm feeling while a windy scene  
Between my palms  
I got my hands and the bird  
Flies out

Ooh ooh ooh ooh, ooh ooh ooh ooh  
Ooh ooh ooh ooh, ooh ooh ooh ooh  
Ooh ooh ooh ooh, ooh ooh ooh ooh  
Ooh ooh ooh ooh, ooh ooh ooh ooh  
Ooh ooh ooh ooh, ooh ooh ooh ooh  
Ooh ooh ooh ooh, ooh ooh ooh ooh  
Ooh ooh ooh ooh, ooh ooh ooh ooh

So the cages open now (Ooh ooh ooh ooh, ooh ooh ooh  
ooh)  
We take him fly to  
Rising and falling like snow  
In the nights

Rising and falling like snow  
In the nights
