(Paul McCartney)

Like so many girls, Jenny Wren could sing
But a broken heart, took her song away

Like the other girls, Jenny Wren took wing
She could see the world, and it's foolish ways

How, we, spend our days, casting, love aside
Losing, sight of life, day, by, day

She saw poverty, breaking up her home
Wounded warriors, took her song away

(solo) verse, chorus

But the day will come, Jenny Wren will sing
When this broken world, mends it's foolish ways

Then we, spend our days, catching up on life
All be-cause of you, Jenny Wren

You saw who we are, Jenny Wren
