Any time, any day
You can hear the people say
That love is blind
Well, I don't know but I say love is kind

Soldier boy kisses girl
Leaves behind a tragic world
But he won't mind
He's in love and he says love is fine

Oh yes, indeed we know
That people will find a way to go
No matter what the man said

"And love is fine for all we know
For all we know, our love will grow"
That's what the man said
So won't you listen to what the man said?
He said

Ah, take it away

Oh yes indeed, we know
That people will find a way to go
No matter what the man said

"Love is fine for all we know
For all we know, our love will grow"
That's what the man said
So won't you listen to what the man said?
He said

Oh yes indeed, we know
That people will find a way to go
No matter what the man said

"Love is fine for all we know
For all we know, our love will grow"
That's what the man said
So won't you listen to what the man said?
He said

The wonder of it all, baby
The wonder of it all, baby
The wonder of it all, baby
Yeah, yeah, yeah
