When you were young
And your heart was an open book

You used to say, "Live and let live"
(You know you did, you know you did, you know you did)
But if this ever-changing world in which we live in
Makes you give in and cry

Say live and let die
Live and let die
Live and let die
Live and let die
What does it matter to ya, when you've got a job to do, you gotta do it well
You gotta give the other fellow Hell

You used to say, "Live and let livin'"
(You know you did, you know you did, you know you did)
But if this ever-changing world in which we live in
Makes you give in and cry

Say, live and let die
Live and let die
Live and let die
Live and let die
