I tried to get over you
I tried to find something new
But all I could ever do
Was fill my time with thoughts of you

I tried to go somewhere old
To search for my pot of gold
But all I could ever hold
Inside my mind were thoughts of you

I hear your music and it's driving me wild
Familiar rhythms in a different style
I hear your music and it's driving me wild again

Oh, don't wanna let you take me down
Don't wanna get hurt second time around
Don't wanna walk that lonely road again, yeah
Lonely road, oh

I hear your music and it's driving me wild
Familiar rhythms in a different style
I hear your music and it's driving me wild again

Oh, don't wanna let you take me down
Don't wanna get hurt second time around
Don't wanna walk that lonely road again

Don't wanna let you take me down
Don't wanna get hurt second time around
Don't wanna walk that lonely road again

I don't wanna walk that lonely road, no
Don't wanna, don't wanna walk that lonely road
Don't wanna walk that lonely road
I don't wanna walk, no, no, no, no, no, no

I don't wanna, I don't wanna
I don't wanna walk that lonely road
Ever wanna walk that lonely road again
No, no, no, no
I don't wanna walk that lonely road
Oh no, oh no
