Well, well, well, well, well  
Do you love me like you know you ought to do?  
Well, well, well, well, well  
Or is this the only thing you want me for?

Well, I've been meaning to talk to you about it for some  
time  
Sweet little lass, you are my long haired lady

Who's the lady that makes that brief occasional  
laughter?  
She's the lady who wears those flashing eyes  
Who'll be takin' her home when all the dancin' is over?  
I'm the lucky man she will hypnotize

Long haired lady  
Long haired lady

Bees are buzzing around my sweet, delectable baby  
Birds are humming about their big surprise  
Who's your favourite person, dear phenomenal lady?  
I belong to the girl with the flashing eyes

Long haired lady  
Long haired lady

Ah, love is long, love is long, love is long  
Ah, sing your song, love is long, love is long  
Ah, when you're wrong, love is long, love is long  
Win or lose it into the soul, love is long, love is long  
(When you're wrong, love is long, love is long)

Well, well, well, well, well  
Do you love me like you know you ought to do?  
Well, well, well, well, well  
Or is this the only thing you want me for?

Well, I've been meaning to talk to you about it for some  
time  
Sweet little lass, you are my long haired lady

Ah, love is long, love is long, love is long

Ah, sing your song, love is long, love is long  
Ah, when you're wrong, love is long, love is long  
Win or lose it into the soul, love is long, love is long  
(Ah, when you're wrong, love is long, love is long)

Win or lose it into the soul, love is long, love is long  
(Ah, sing your song, love is long, love is long)  
Yes, love is long, love is long, love is long  
Ah, love is long, love is long, love is long

Ah, love is long, love is long, love is long  
Yes, love is long, love is long, love is long  
Win or lose it, into the soul, love is long, yes, love is  
long  
(Yes, sing your song, love is long, love is long)
