What's wrong with you?  
I wish, I knew  
You say, time will tell  
I hope that's true

There's more to life than blues and reds  
I say, I know how you feel  
Now your friends are dead

Dead on your feet, you won't get far  
If you keep on sticking your hand  
In the medicine jar

Now don't give up  
Whatever you do  
You say, time will tell  
I hope that's true

If you go down and lose your head  
I say, I know how you feel  
Now your friends are dead

Dead on your feet, you won't get far  
If you keep on sticking your hand  
In the medicine jar

I said, "Dead on your feet, you won't get far  
If you keep on sticking your hand  
In the medicine jar"

Check it

What can I do?  
I can't let go  
You say, time will heal  
But very slow

So don't forget the things you said  
I say, I know how you feel  
Now your friends are dead

Dead on your feet, you won't get far

If you keep on sticking your hand  
In the medicine jar

Dead on your feet, you won't get far  
If you keep on sticking your hand  
In the medicine jar

(Medicine jar)  
Medicine jar  
(Medicine jar)  
Medicine jar  
(Medicine jar)  
Medicine jar  
(Medicine jar)

Medicine jar  
Medicine jar  
Medicine jar  
Medicine jar  
Medicine jar  
Medicine jar
