Right on down at the bottom of the sea
Tell me are you receiving me?
My name is Morse Moose and I'm calling you

Right on down at the bottom of the sea
Tell me are you receiving me?
My name is Morse Moose and I'm calling you

The Grey Goose was a steady boat
People said she'd never float
One night when the moon was high
The Grey Goose flew away

As we were sailing 'round the rocks
The mate took out his compass box
And said, "The wind is like a fox?"
But The Grey Goose flew away

When out upon the open sea
The admiral, the mate and me
Prepared to face eternity
But The Grey Goose flew away

She flew into the stormy sea
Davy Jones was calling me
But heading for tranquility
The Grey Goose flew away

Right on down at the bottom of the sea
Tell me are you receiving me?
My name is Morse Moose and I'm calling you

Right on down at the bottom of the sea
Tell me are you receiving me?
My name is Morse Moose and I'm calling you

Right on down at the bottom of the sea
Tell me are you receiving me?
My name is Morse Moose and I'm calling you
Yeah

This is the Morse Moose calling

This is the Morse Moose calling
This is the Morse Moose calling
This is the Morse Moose calling

Right on down at the bottom of the sea
(This is the Morse Moose calling)
Tell me are you receiving me?
(This is the Morse Moose calling)
My name is Morse Moose and I'm calling you
(This is the Morse Moose calling, this is the Morse
Moose calling)

This is the Morse Moose calling
This is the Morse Moose calling
This is the Morse Moose calling
This is the Morse Moose calling

Right on down at the bottom of the sea

(This is the Morse Moose calling)
My name is Morse Moose and I'm calling you
(This is the Morse Moose calling, this is the Morse
