I can't get over your love
No matter how hard life seems
There's a light in my dreams
Thanks to you

My friends keep asking me why
There's such a smile on my face
There's a home at my place
Thanks to you

I don't want anything from you
Turn on your motor of love

Motor of love, motor of love
Heavenly Father look down from above
I can't get over your powerful motor of love, oh

Your motor of, your motor of, your motor of

I can't get over your love
No matter how lost I feel
I know my love is real
Thanks to you

You simply reached out your hand
And touched me deep in my soul
I came in out of the cold
Thanks to you

I won't steal anything from you
You give me more than enough

Motor of love, motor of love
Heavenly Father look down from above
I can't get over your powerful motor of love, oh

There was a time when I was down and counted out
Well, I remember I felt so bad
I nearly threw away, nearly threw away the key
Ah, no, no, no, no, no

Motor of love, motor of love

Heavenly Father look down from above
Motor of love, motor of love
Heavenly Father look down from above
I can't get over your powerful motor of love, oh

Your motor of, your motor of
Your motor of, your motor of love
Your motor of, your motor of
Your motor of, your motor of love

Powerful motor, stronger than ocean
Constantly turning over and over, ooh

Powerful motor, stronger than ocean
Constantly turning over and over, ooh
Over and over
