Boys

We're here in school today to get a perfect education,
Yes, we're going up.

We're keen to learn the rules and laws that civilization
taught us

Yes, we're growing up.

Not for ourselves, b

But for the whole world were we born.

And we were born in liverpool.

Our teachers say that ignorance will always drag us
down,

It's like a nagging cough.

Shanty (thrown away)

But I can say that looking back,

The most important thing I found was sagging off!

Not for the whole world.

But for yourself were you born.

And you were...

Shanty and boys

Born in liverpool.

Boys

Not birmingham

Nor edinburgh.

Not manchester

Or sunderland.

Shanty

Being born where you were born

Carries with it certain responsibilities.

Boys

This school is good for us.

Shanty

This school is only good for those

Who want to learn from books.

You'll lose your sense of purpose...

Boys
But we dare not answer back,
We're scared of teacher's looks.
Not for ourselves,
But for the whole world were we born.
And we were born in liverpool.

Shanty
Not coventry

Headmaster
Or solihull.

Boys
Not scarborough

Shanty
Nor inverness.
Being born where you were born
Carries with it certain responsibilities.

Headmaster
Walk in single file out of the classroom,
Down the stairs and into the playground.

Boys
Through the school gates,
Cross the road, and over the cemetery fence,
Down the hill to where the grave-stones
Lie inviting in the sun.

Settle down.
Settle down.
Let the afternoon slip by.
Settle down.
Settle down.
It's the perfect place for a kip.

(shanty falls asleep on a grave-stone and dreams)

Shanty

Kept in confusion,
Trapped by illusion,
Thinking of speaking my mind.
Dreams of the future,
Ghosts of the past left behind.

Constantly drifting,
Endlessly lifting

More weight than one man can bear.
Into the future,
Ghosts of the past everywhere.

Men's chorus (ghosts)
You're sleeping amongst us,
We're in your dream,
Who are you?
Why call us?

What does this mean?
Disturbing our slumber,
You move so fast.

Shanty
Ghosts of the past.
Tossing and turning,
Somehow I'm learning
Secrets I'd rather not know.
Can't it be simple?
Why does it have to be so?

Mary dee (as ghost)
I'll always be here,
I'll never leave you,
I'll always be in your mind.
Dreams of the future,
Ghosts that the past left behind.

Women's chorus (ghosts)
You're sleeping amongst us.
We're in your dream.
Who are you?
Why call us?
What does this mean?

Full chorus (ghosts)
Disturbing our slumber,
You move so fast.

Shanty and mary dee (as ghost)
Ghosts of the past.

(later, back in school)

Headmaster
