Our love affair was over on the second day  
You packed a bag and like a birdie flew away  
Meanwhile I'm sittin' here, I'm gettin' in a mess  
If you want my love, leave your name and address

I used to love you baby when I was your man  
But maybe lovin' you is somethin' no one man can do  
Meanwhile I'm sittin' here, I'm gettin' in a mess  
If you want my love, leave your name and address

Love to feel the tingle of your heavenly caresses  
Love to intermingle, a lonely single without addresses  
If you want my love, leave your name and address

Oh, if it's all over baby, you know, I'll understand  
Maybe I'll hate to think of you with another man  
Meanwhile I'm sittin' here, I'm gettin' in a mess  
If you want my love, leave your name and address

My love

And if it's all over baby, you know, I'll understand  
Maybe I'll hate to think of you with another man  
Meanwhile I'm sittin' here, I'm gettin' in a mess  
If you want my love, leave your name and address

If it's all over baby, you know, I'll understand
