On no one left alive in 1985, will ever do  
She may be right  
She may be fine  
She may get love but she won't get mine  
'Cos I got you  
Oh I oh I  
Well I just can't enough of that sweet stuff  
My little lady gets behind

Interlude

On my mama said the time would come when I would  
find myself in  
Love with you  
I didn't think  
I never dreamed  
That I would be around to see it all come true  
Woh I oh I  
Well I just can't get enough of that sweet stuff  
My little lady gets behind.
