But I don't want no other baby but you  
I don't want no other baby but you  
Cause no other baby can thrill me like you do

Got a little woman, lives across the hall  
Got a little woman, she lives across the hall  
And most every evening she's asking me to call

But I don't want no other baby but you  
I don't want no other baby but you  
Cause no other baby can thrill me like you do

But lots of other women say be my daddy do  
Yeah, lots of other women say be my daddy do  
But I tell them I don't want no other baby but you

I said I don't want no other baby but you  
No, I don't want no other baby but you  
Cause no other baby thrill me like you do, ooh, ooh
