There must have been a lot of heartache
For you to sink so low
You must have had a ton of pressure
Only answer if the answer's no

I need loving, you need loving too
Doesn't take a lot to get off the ground

There must have been a lot of magic
When the world was born
Let me be the one you wish for
One you call for, when you're all alone

I need loving, you need loving too
Wouldn't take a lot to get off the ground

Off the ground, la, la, la, la, la, la
Off the ground, la, la, la, la, la, la
Fly around, la, la, la, la, la, la
Fly around, la, la, la, la, la, la

Hear the sound
Hear the sound
Off the ground, la, la, la, la, la, la
Off the ground, la, la, la, la, la, la

Though it takes a lot of power
To make a big tree grow
It doesn't need a pot of knowledge
For a seed knows what a seed must know

You need loving, I need loving too
Doesn't take a lot to get off the ground

Off the ground, la, la, la, la, la, la
Off the ground, la, la, la, la, la, la
Fly around, la, la, la, la, la, la
Fly around, la, la, la, la, la, la

Hear the sound
Hear the sound
Off the ground, la, la, la, la, la, la

Off the ground, la, la, la, la, la, la

Hear the sound

Hear the sound

Off the ground, la, la, la, la, la, la

Off the ground, la, la, la, la, la, la

Yeah, yeah, off the ground
