Rinse the raindrops from your head
Wipe your eyes, go back to bed
In the morning, skies'll clear
And I'll be here

See the sunlight, break the ice
For the birds of paradise
Listen to the song they sing
Awakening

Rinse the raindrops from your head
Wipe your eyes, go back to bed
In the morning, skies'll clear
And I'll be here

See the sunlight, break the ice
For the birds of paradise
Now listen to the song they sing
Awakening

Rinse the raindrops from your head
Wipe your eyes, go back to bed
In the morning, skies'll clear
And I'll be here

See the sunlight, break the ice
For the birds of paradise
Listen to the song they sing
Awakening

Awakening
Awakening
Awakening

Rinse the raindrops from your head
Wipe your eyes, go back to bed
In the morning, skies'll clear
And I'll be here

See the sunlight, melt the ice
For the birds of paradise
Listen to the song they sing

Awakening

Rinse the raindrops from your head
Wipe your eyes, go back to bed
In the morning, skies'll clear
And I'll be here

See the sunlight, break the ice
For the birds of paradise
Listen to the song they sing
Awakening

And I'll be here
Raindrops

Rinse the raindrops from your head
Wipe your eyes, go back to bed
In the morning, skies'll clear
And I'll be here

See the sunlight, break the ice
For the birds of paradise
Listen to the song they sing
Awakening

Rinse the raindrops from your head
Wipe your eyes, go back to bed
In the morning, skies'll clear
And I'll be here

Rinse the raindrops from your head
Wipe your eyes, go back to bed
In the morning I'll be here
And the skies will clear

See the sunlight, break the ice
For the birds of paradise
Listen to the song they sing
Awakening, awakening

Skies will clear and I'll be here

See the sunlight, break the ice
For the birds of paradise
Listen to the song they sing
Awakening

See the sunlight, break the ice
For the birds of paradise
Listen to the song they sing
Awakening

Awakening
Awakening

In the morning, I'll be here
See the sunlight, melt the ice
For the birds of paradise
Listen to the song they sing
