Run devil run, the angels having fun
Making winners out of sinners better leave before it's
done

B

When he gets through, he'll be coming after you,

E A G A E

Listen what I'm saying to you Run . . . Run Devil Run

E

By a swamp in Alabama in the cold in the damp

E

Sittin reading by the light of a kerosene lamp

A

Lives a holly roller with a mission on her mind

E

Got to spread the word to anybody she can find

B

You can hear her screaming any time in night or day

E

This is what she says to keep the demons away

E

Run devil run, the angels having fun

E

Making winners out of sinners better leave before it's
done

B

When he gets through, he'll be coming after you,

E A G A E

Listen what I'm saying to you Run . . . Run Devil Run

E

Her brother and her sister said that she brought them
down

E

Steppin on the bus that was heading to town

A

There they started drinking, they got into a fight

E

The sheriff introduced them to the jailhouse for a night

B

When the holy roller came to town to pay the bail

E

This is what she sang as she was leaving the jail

E
