Feel like you've never felt before.

Here we are, where are we?
Cast adrift on some uncharted sea.
I know we'll find our way,
I know we'll reach the end,
If you will say you'll be my secret friend.

Night draws in, once again,
As she turns her velvet collar up,
A perfect day will end.
If you will say you'll be my secret friend.

Feel like you've never felt before, once more.

Night draws in, once again,
As she turns her velvet collar up,
A perfect day will end.
If you will say you'll be my secret friend.

Feel like you've never felt before,
Come on, baby,
Just make sure you're gonna feel that way again.
Don't you know you do it?
Yeah-hey-hey-hey-yeah, yeah,
Yeah, yeah, yeah-hey-hey-yi-yeah.
Oh-oh-oh.

Here we are, where are we?
Cast adrift on some uncharted sea.
I know we'll find our way,
If you will say you'll be my secret friend.

Do it any way.

Feel like you've never felt before, once more.

I need ya, I need ya, I need ya, yeh, I need ya,
I need ya, yeh, I need ya, yeh, I need ya,
Yeh, I need ya, I need ya, yeh.

Night draws in, one more time,

As she turns her velvet collar up,
A perfect day will end.
If you will say you'll be my secret friend, yeh, yeh.

Feel like you've never felt before, once more, once
more.

Here we are, where are we?
Cast adrift on some uncharted sea.
I know we'll find our way,
If you will say you'll be my secret friend.

I need ya, I need ya, I need ya, yeh, I need ya,
Need ya, I need ya, I need ya, I need ya,
Yeh, I need ya.
