When your body is coming apart at the seams  
And the whole thing's feeling low,  
You're convincing yourself  
That there's nobody there, I know.  
I know how you feel.

Like somebody has taken the wheels off your car,  
When you had somewhere to go.  
Well, it's annoying,  
Not going to get very far, I know.  
But somebody cares.

There's always someone, somewhere,  
You should know by now,  
Always somebody who cares.  
It's happening day in, day out,  
Well, you know by now,  
Always somebody who cares.

If you don't know it,  
How will it find you?  
How will we know your whereabouts?

But I know how you feel.

I know how you feel

Like somebody has taken the wheels off your car,  
When you had somewhere to go.  
Well, it's frustrating,  
Not going to get very far, I know.  
But somebody cares.

There's always someone, somewhere,  
You should know by now,  
Always somebody who cares.  
It's happening day in, day out,  
Well you know by now,  
Always somebody who cares.

If you don't know it,  
How will it find you?

How will we know your whereabouts?

But I know how you feel.
