Take it away, wanna hear you play  
'Til the lights go down  
Take it away, don't you wanna stay  
'Til there's no one else around

Take it away, wanna hear you play  
'Til the lights go down  
Take it away, don't you wanna stay  
'Til there's no one else around

Lonely driver out on the road  
With a hundred miles to go  
Sole survivor, carryin' a load  
Switches on his radio

Take it away, wanna hear you play  
'Til the lights go down  
(Down, down)  
Take it away, don't you wanna stay  
'Til there's no one else around

Take it away, wanna hear you play  
'Til the lights go down  
(Down, down)  
Take it away, don't you wanna stay  
'Til there's no one else around

In the audience, watching the show  
With a paper in his hand  
(In his hand, in his hand)  
Some important impresario  
Has a message for the band

Take it away, wanna hear you play  
'Til the lights go down  
(Down, down)  
Take it away, don't you wanna stay  
'Til there's no one else around

You never know who may be listening to you  
(You never know who may be listening to you)  
You never know who may be listening to you

Take it away, take it away

After hours, late in the bar  
By a darkened corner seat  
Faded flowers, wade in the jar  
'Til the evening is complete
