I feel such sorrow, I feel such shame  
I know, I won't arrive on time  
Before whatever out there is gone  
What can I do? That day is done

It's just a promise, that I made  
I said I'd walk in her parade  
Hot scalding tears, I thought would flow  
Still in my heart, they'll never show

That day is done, that day is done  
You know where I've gone, I won't be coming back  
That day is done

Well, I recall, the time and place  
When they announced her precious face  
I thought at once my heart would burst  
Still, every time is like the first

There was applause when she stepped up  
I wished that I could interrupt  
I made no sign, I made no sound  
I know, I must stay underground

That day is done, that day is done  
You know where I've gone, I won't be coming back  
That day is done

That's why she walks or so they say  
She always knew just what I needed  
Now if she would, just look my way  
One time before they proceed

She sprinkles flowers in the dirt  
That's when a thrill becomes a hurt  
I know I'll never see her face  
She walks away from my resting place

That day is done, that day is done  
You know where I've gone, I won't be coming back  
That day is done  
But you know where I've gone, I won't be coming back

That day is done
