That would be something
It really would be something
That would be something
To meet you in the falling rain, mamma
Meet you in the falling rain

Meet you in the falling rain, mamma
Meet you in the falling rain

That would be something
It really would be something
That would be something
To meet you in the falling rain, mamma
Meet you in the falling rain

Meet you in the falling rain, mamma
Meet you in the falling rain
Meet you in the falling rain, mamma
Meet you in the falling rain

That would be something
It really would be something
That would be something
To meet you in the falling rain, mamma
Meet you in the falling rain

Meet you in the falling rain, mamma
Meet you in the falling rain, oh, oh

Meet you in the falling rain, mamma
Meet you in the falling rain
Meet you in the falling rain, mamma
Meet you in the falling rain, oh, oh

Now, meet you in the falling rain, mamma
Meet you in the falling rain
I meet you in the falling rain, mamma
Meet you in the falling rain

Meet you in the falling rain, mamma
Meet you in the falling rain
Uh, meet you in the falling rain, mamma

Meet you in the falling rain
