"To You"

Well, if the same thing happened to you,
Will you still put me through what you put me through?
If it happened to you,
What if it happened to you?
What if it happened?

And the man keep shaking you down,
But you can't get a ride to his side of town.
If it happened to you,
What if it happened to you?
Well, if happened to you?

Keep it out of my shoes,
If you stepping on toes,
Keep it out of my nose.

'Cause if the same thing happened to me,
Well, it won't be as bad as it used to be.
If it happened to you,
If it happened to you?
What if it happened to you, you, you?
What if it happened to you-a, you-a, you?
What if it happened to you, ted?

Well, if it happens to you,
If it happens to you,
Well, if happens to you.

Keep it out of my shoes.
You stepping on toes, (uh)
Well, keep it out of my nose.
'Cause if the same thing happened to me,
Well, it won't be as bad as it used to be.
If it happens to you, you, you,
If it happens to you, you, you,
What am I going to do,
If it happened to you-a?
What if happened to you?

Whoa!

If it happened to you,

Well, if it happened to you,
If it happened to you,
Well, if it happened to you,
If it happened to you,
Well, if it happened to you, yeah, yeah, yeah,
If it happened to you,
What if it happened to you?
If it happened to you, if it.
