Don't go jumping waterfalls

Please keep to the lake.
People who jump to the waterfalls

Sometimes can make mistakes.

And I need love

Yeah
I need love

Like a second needs an hour

Like a raindrop needs a shower.

Yeah
I need love
Ev'ry minute of the day

And it wouldn't be the same

If you ever should decide to go away.

And I need love

Yeah
I need love

Like a castle needs a tower

Like a garden needs a flower.

Yeah
I need love

...

Don't go chasing polar bears
In the great unknown.
Some big friendly polar bear
Might want to take you home.

And I need love

Yeah
I need love

Like a second needs an hour
...

Yeah
I need love
...

Don't run after motor cars

Please stay on the side

Someone's glossy motor car
Might take you for a ride.

And I need love

Yeah
I need love

Like a castle needs a tower
...

Yeah
I need love

Said I need love

Like a raindrop needs a shower

Like a second needs an hour
Ev'ry minute of the day
...

Don't go jumping waterfalls

Please keep to the lake.
