Try to see it my way  
Do I have to keep on talking till I can't go on?  
While you see it your way  
Run the risk of knowing that our love may soon be gone

We can work it out  
We can work it out

Think of what you're saying  
You can get it wrong and still you think that it's alright  
Think of what I'm saying  
We can work it out and get it straight or say good night

We can work it out  
We can work it out

Life is very short and there's no time  
For fussing and fighting, my friend  
I have always thought that it's a crime  
So I will ask you once again

Try to see it my way  
Only time will tell if I am right or I am wrong  
While you see it your way  
There's a chance that we may fall apart before too long

We can work it out  
We can work it out

Life is very short and there's no time  
For fussing and fighting, my friend  
Fussing and fighting  
I have always thought that it's a crime  
So I will ask you once again

Try to see it my way  
Only time will tell if I am right or I am wrong  
While you see it your way  
There's a chance that we may fall apart before too long

We can work it out  
We can work it out
