Well, the night was beautiful and mellow
And the light of the night fell on me
You said right, made me a happy fellow
And the light of the night fell on me

I never will forget the night
I held you close, I held you tight
Oh darling, don't you know?

The way you made my senses reel
I fell in love and now I feel like I will never go
Oh, little darling, don't you know?

That the night was marvelous and yellow
And the light of the night fell on me

And the light of the night fell on me

I never will forget the way
You taught me how to swing and sway
Oh darling, don't you know?

That ever since that special day
My mind can only contemplate the magic that you show
Oh little darling, don't you know?

That the night is beautiful and yellow
And the light of the night fell on me, fell on me
Yeah, the la-la-light, fell on me, that fell, fell on me
Oh, the la-la-light, fell on me
Yes, the light fell on me

Fell on me
Fell on me
Fell on me
