Doctor tom is getting on,  
All he does is sign his name.  
I get things my brainbox sings,  
But I'll go down again.  
Play with fire, getting higher,  
Higher than a nine foot flame.  
My soul is pent and so's the rent,  
But I'll go down again.

Wino junko can't say no,  
Wino junko, eyes aglow.  
Pill freak, spring a leak, you can't say no  
Till you go down again

This and treat you crazy cat,  
Flying sideways once again.  
I'm in a spin it makes me grin,  
But I'll go down again.

Wino junko can't say no,  
Wino junko, eyes aglow.  
Pill freak, spring a leak, you can't say no  
Till you go down again.

Till you go down again.  
Till you go down again.  
Till you go down.

Take what I need until I bleed,  
People will say I've gone insane.  
Ain't scared to die, it's such a high,  
Till I go down again.

Wino junko can't say no,  
Wino junko, eyes aglow.  
Pill freak, spring a leak, you can't say no,  
Till you go down again.

Wino junko can't say no,  
Wino junko, eyes aglow.  
Pill freak, spring a leak, you can't say no,  
Till you go down again.
