

Paul McCartney & Wings "Country Dreamer"

Visit "[Country Dreamer](#)" on MotoLyrics.com

I'd like to walk in a field with you
Take my hat and my boots off too
I'd like to lie in a field with you
Would you like to do it too, may?
Would you like to do it too?

I'd like to stand in a stream with you
Roll my trousers up and not feel blue
I'd like to wash in a stream with you
Would you like to do it too?

You and I, country dreamer
When there's nothing else to do
Me, oh my, country dreamer
Make a country dream come true

I'd like to climb up a hill with you
Stand on top and admire the view
I'd like to roll down a hill with you
Would you like to do it too, may?
Would you like to do it too?

I'd like to climb up a hill with you
Take my hat and my boots off too
I'd like to lie in a field with you
Would you like to do it too, may?
Would you like to do it too?
