Give Ireland back to the Irish  
Don't make them have to take it away  
Give Ireland back to the Irish  
Make Ireland Irish today

Great Britain, you are tremendous  
And nobody knows like me  
But really, what are we doing?  
In the land across the sea

Tell me, how would you like it?  
If on your way to work  
You were stopped by Irish soldiers  
Would you lie down, do nothing?

Would you give in?  
Go berserk  
Give Ireland back

Great Britain and all the people  
Said that people must be free  
And meanwhile, back in Ireland  
There's a man who looks like me

And he dreams of God and country  
And he's feeling really down  
And he's sitting in a prison  
Say

Should he lie down, do nothing?  
Should he behave like a man?  
Give Ireland back
