You're talking to me from the back of my car
And I can't get nothing right
And then you wonder why I stand at the bar
Day and night

Well, I've had enough, I can't put up with any more
No no, no no, no no
I've had enough, I can't put up with any more
No no, no no, no no

You stand behind me with a watch in your hand
And I can't get nothing done
Well, people tell me you're a punctual man
But come on, come on

I've had enough, I can't put up with any more
No no, no no, no no
I've had enough, I can't put up with any more
No no, no no, no no

I earn the money and you take it away
When I don't know where you from
I should be worried but they say
It will pay for a bomb, oh

I've had enough, I can't put up with any more
No no, no no, no no
Had enough, I can't put up with any more
No no, no no, no no, no no

Hey, I've had enough, I can't put up with any more
No no, no
I've had enough, I can't put up with any more
No no, no no, no no

Baby, you know sometimes you get a little weary
But if it ever happens honey
You just come along to me because you know

I've had enough, I can't put up with any more
No no, no no, no
I've had enough, I can't put up with any more

No no, no no

I've had enough, I can't put up with any more

No no, no no, no no, no no, no no

I can't put up with any more

Now baby, I've had enough
