I've just seen a face I can't forget the time or place
where we just met she's just the girl for me
and I want all the world to see we've met
la da da da da dum
Had it been another day I might have looked the other
way
and I'd have never been aware but as it is I'll dream of
her tonight
la da da da da dum

falling, yes I am falling
and she keeps calling
me back again

I have never known the likes of this I'd been alone
and I have missed things and kept out of sight
but other girls were never quite like this
la da da da da dum

falling, yes I am falling
and she keeps calling
me back again

I've just seen a face I can't forget the time or place
where we just met, she's just the girl for me
and I want all the world to see we've met
la da da da da dum

falling yes I am falling
and she keeps calling
me back again
