Ah, she tastes like wine
Such a human being, so divine
oh, she feels like sun
Mother nature look at what you're done

Oh, I feel like letting go
Oh, I feel like letting go

Ah, she looks like snow
I want to put her in a Broadway show
Ah, she'll dance and dine
Like a Lucifer she'll always shine

Oh, I feel like letting go
Oh, I feel like letting go
Oh, I feel like letting go

Ah, she sings it so
I want to put her on the radio
One day and there you are
Ladies and gentleman
A brand new star

Oh, I feel like letting go
Oh, I feel like letting go
