

Paul McCartney & Wings "Love In Song"

My heart cries out
For love and all
That goes with loving
Love in song, love in song

My, you're so fine
When the love is mine
I can't go wrong
Love in song, love in song

I can see the places that
We used to go to now
Happiness in the homeland

Happiness in the homeland

My eye cries out
A tear still born
Misunderstanding
Love in song, love in song

I can see the places that
We used to go to now
Happiness in the homeland

Happiness in the homeland

My, you're so fine
When the love is mine
I can't go wrong
Love in song, love in song, love in song
