Well, I was talking last night  
Magneto and Titanium man  
We were talking about you, babe  
They said

You was involved in a robbery  
That was due to happen  
At a quarter to three  
In the main street

I didn't believe them  
Magneto and Titanium Man  
But when the crimson dynamo  
Finally assured me, well, I knew

You was involved in a robbery  
That was due to happen  
At a quarter to three  
In the main street

So, we went out  
Magneto and Titanium Man  
And the crimson dynamo  
Came along for the ride

We went to town with the library  
And we swung all over that  
Long, tall bank in the main street

Well, there she were and to my despair  
She's a five-star criminal  
Breaking the code

Magneto said, "Now, the time has come  
To gather our forces and run  
Oh, no, this can't be so

And then it occurred to me  
You couldn't be bad  
Magneto was mad but Titanium too

And the crimson dynamo

They just couldn't cut it no more  
You were the law

We went to town with the library  
And we swung all over that  
Long, tall bank in the main street

You know the one I mean?  
Well, there she's were and to my despair  
She's a five-star criminal  
Breaking the code

Magneto said, "Now, the time has come  
To gather our forces and run  
Oh, no, this can't be so

And then it occurred to me  
You couldn't be bad  
Magneto was mad, Titanium too

And the crimson dynamo  
They just couldn't cut it no more  
You were the law
