On no one left alive in nineteen hundred and eighty  
five will ever do  
She may be right, she may be fine  
She may get love but she won't get mine  
'Cos I got you

Oh, I, oh, I  
Well, I just can't enough of that sweet stuff  
My little lady gets behind

On my mama, said the time would come  
When I would find myself in love with you  
I didn't think I never dreamed  
That I would be around to see it all come true

Woah, I, oh, I  
Well, I just can't get enough of that sweet stuff  
My little lady gets behind
