What's that man holding in his hand?  
He looks a lot like a guy, I knew way back when  
It's silly Willy with Philly Band  
Could be, ooh-ee

What's that man movin' 'cross the stage?  
It looks a lot like the one used by Jimmy Page  
It's like a Relic from A different age  
Could be, ooh-ee

If there's rock show at the Concertgebouw  
They're got long hair at the Madison Square  
You've got Rock And Roll at the Hollywood Bowl  
We'll be there, ooh yeah

The lights go down, they're back in town okay  
Behind the stacks, you glimpse an Axe  
The tension mounts you score an ounce ole!  
Temperatures rise as you see the white of their eyes

If there's rock show at the Concertgebouw  
You're got long hair at the Madison Square  
They've got Rock And Roll at the Hollywood Bowl  
We'll be there, ooh yeah

In my green metal suit, I'm preparing to shoot up the  
city  
And the ring at the end of my noses makes me look  
rather pretty  
It's a pity there's nobody here to witness the end  
Save for my dear old friend and confidante,  
Mademoiselle Kitty

What's that man movin' to and fro?  
That decibel meter doesn't seem to be reading low  
But they was louder at the rainbow  
Could be, ooh-ee

If there's rock show at the Concertgebouw  
You're got long hair at the Madison Square  
They've got Rock And Roll at the Hollywood Bowl  
We'll be there, ooh yeah

If there's rock show  
If there's rock show  
If there's rock show
