My baby, she comes out at night  
She's takin' me by surprise, she's my baby  
Like gravy, down to the last drop  
I keep mopping her up, yeah yeah, she's my baby

She's a baby in the morning time  
When the sleep is in her eyes  
And the world is waking up  
She has a rhythm  
Oh believe me, I ain't lyin'  
She's a woman

She's a lady in the evening time  
When the stars are in the skies  
That's the time she changes back into a kitten  
Oh believe me, I ain't lyin'  
She's my baby

And she comes out at night  
She's takin' me by surprise, she's my baby  
Like gravy, down to the last drop  
I keep mopping her up, yeah yeah yeah, she's my baby

Well she's a baby in the morning time  
When the sleep is in her eyes  
And the world is waking up  
She has a rhythm  
Oh believe me, I ain't lyin'  
She's a woman

She's a lady in the evening time  
When the stars are in the skies  
That's the time she changes back into a kitten  
Oh believe me, I ain't lyin'  
She's my baby

And she comes out at night  
She's takin' me by surprise, yes, she's my baby  
Ooh like gravy, yeah down to the last drop  
I keep mopping it up, mopping it up, yeah, she's my  
baby

Ooh like gravy, down to the last drop  
I keep mopping it up, mopping it up, yeah, she's my  
baby  
Ooh like gravy, down to the last drop  
I keep mopping it up, mopping it up, yeah, she's my  
baby  
Ooh like gravy, down to the last drop  
I keep mopping it up, mopping it up
